Are you feeling stressed or tired?
Have you ever wondered why you feel drained
after talking to someone?
Does it feel difficult at times to express or
assert yourself?

This introductory workshop will take the mystery out of the human energy field and its seven major chakras. Everything that exists is energy or vibration and we can learn to balance and harmonize our own energy system, leading to better health in body and relationships, less stress and more fun!

In this workshop you will:

- discover your unique way of sensing energy
- learn how the first seven layers of the human energy field interact with the physical body
- understand the subtle energy functions of the seven chakras
- receive techniques to work with your own energy field for increased strength and vitality

Judith Rasoletti Ph.D. is a business and life coach, writer and artist who brings a passion to teach others how to live joyfully in their body.
